His three brothers are clergymen, one has been in France since the war began, one is in the U. S. C. A. work and the other in active service; his oldest son, Hugo, not yet 19 years of age, is in France as first lieutenant under General Haig. He is one of the 12 university lecturers of the country and last Sunday evening addressed an enormous audience at Orchestra hall in Chicago. The Belgian band of 25 pieces will play a program of patriotic selections preceding the lecture. Dr. G. A. Andreen, president of Augustana college, will preside.
